Since 1981, Modern Movers has been a progressive force in the world's largest recycling industry - House Moving. From homes to businesses to boats and trains to equipment and plain old heavy objects, Modern Movers can meet your needs and exceed your expectations. Armed with a large array of specialized equipment and a healthy dose of ingenuity and imagination, we can make your move happen by land or water. Whether you have a single house, barn, shed, or a whole sub-division, Modern Movers is willing to accept the challenge.
